## Crimeade

A special Dry January mocktail I've dubbed Crimeade, this has become my go-to restaurant drink. It's a lovely cranberry limeade with a bit of sparkle to it. Absolutely delicious, and feels like you're drinking something naughty.

## Directions

1. Homemade Limeade: Make a simple syrup of 1/2 cup sugar and 1 cup of boiling water.
2. Stir until clear
3. Add 1 cup lime juice, stir
4. Add 3 cups cold water, stir and refrigerate
5. Add remaining ingredients
6. Adjust your simple syrup to taste... Less water to make it sweeter.
